

# Sexual Harassment Prevention TRAINING

## Employment Law Compliance

**Is your company due for SHP Training?**

Register now for next month's workshop tailored to managers and/or supervisors that require Training or a refresher course in Sexual Harassment Prevention.

The workshop will cover federal and state anti-discrimination laws and company policies prohibiting sexual harassment. After completing the course, participants will be aware of their responsibilities in recognizing sexual harassment and the appropriate corrective actions to take in the event of an occurrence. The training will provide company leadership with the ability to raise a defense or mitigate damages in the event of a sexual harassment claim or lawsuit.
